Bubble Tower Transport

A bubble tower transported for a major oil company weighing 92 tons, 115' long and 14' in diameter

 A vintage advertisement for Bigge Drayage Co. It features a photograph of a long, cylindrical bubble tower being transported on a trailer. Below the photo, the text reads:

BIGGE A bubble tower transported for a major oil company
DRAYAGE CO. WEIGHT 92 TONS, 115 FEET LONG,
 14 FEET IN DIAMETER
There is no hauling job too big for BIGGE!
