"THE BIGGE TEAM WORKS LEAN": The Bay-to-Breakers run is next month and Team Captain Brock Settlemier invites all employees and friends of Bigge to join him on May 17 in the big San Francisco race from the Bay to the beach. For participating athletes there will be champagne and strawberries at the end of the run. Even if you don't finish, you are entitled to the reward. Look for the Settlemier Apollo Motor Home at the finish line. It will be located under the big American flag. THE BIGGEVENT will see you there.
